

VEDPRAKASH VISHWAKARMA

CREATIVE AI LEAD · SENIOR MULTIMEDIA DESIGNER · VISUAL CONTENT ARCHITECT

Mumbai, Maharashtra, India +91 7710039946 vedv0987@gmail.com LinkedIn Profile

Professional Summary

Creative AI Lead and Senior Multimedia Designer with **12+ years of experience** in multimedia design, branding, visual storytelling, motion graphics, creative direction, and AI-powered content production. Currently leading AI-powered visual production at **Realatte**, the creative engine behind India's most ambitious luxury real estate launches — delivering hero renders, cinematic brand films, and campaign visuals built on a research-first approach grounded in positioning, audience psychology, and long-term brand equity. Expert in Adobe Creative Suite, Generative AI platforms, Prompt Engineering, and production pipeline design.

Professional Experience

★ CURRENT ROLE

- Creative AI Lead — Visual Production** 2025 – Present
Realatte · Luxury Real Estate Creative Agency
 - Lead AI-powered visual production for India's most ambitious luxury real estate launches, translating market insight, brand intent, and buyer psychology into hero renders and cinematic brand films
 - Design end-to-end production pipelines using **Nano Banana Pro, Runway Gen 4.5, Higgsfield Cinema Studio, Freepik AI, and ElevenLabs**
 - Champion a research-first approach where every visual decision is grounded in positioning, audience analysis, and long-term brand equity
 - Help developers and agencies adopt AI responsibly without compromising design integrity or brand trust
 - Partner with strategy, performance, and brand teams to build future-ready visual systems for launches and global real estate storytelling

- Senior Multimedia Designer** 2023 – Present
Medisage E-Learning Pvt. Ltd. · Mumbai
 - Spearhead multimedia design for healthcare education and digital learning platforms
 - Design marketing campaigns, social media creatives, medical infographics, presentations, and digital awareness materials
 - Architect AI-assisted creative workflows that reduced production cycles by **40%** while elevating visual quality
 - Produce motion graphics, video content, and immersive multimedia experiences for healthcare campaigns

- Freelance Creative AI Specialist & Consultant** 2022 – Present
Independent Practice
 - Architect AI-powered content production systems for commercial brands — cinematic videos, photorealistic visuals, luxury campaigns
 - Engineer advanced prompt frameworks across multiple AI platforms achieving commercial-grade output at scale
 - Deliver strategic consulting for AI adoption, workflow optimization, and visual content strategy

- Senior Graphic Designer / Multimedia Designer** 2013 – 2023
Various Organizations · Mumbai
 - Delivered branding, advertising, social media, print, and multimedia projects for diverse clients
 - Managed end-to-end creative production from concept through final execution
 - Created visual identities, marketing campaigns, and materials that drove measurable business growth
